DIS-240
model

Draaispoelmeters model DIS-240

Draaispoel stroom- en spanningsmeter voor gelijkstroom.
Vierkante uitvoering, 240° wijzeruitslag en met vaste schaal.
Voor inbouw volgens DIN 43700 met zwarte frontrand.

Moving coil meters model DIS-240

Moving coil current and voltage meter for direct current.
Square model, 240° pointer deflection and with fixed scale.
For flush mounting according to DIN 43700 with black front frame.

Drehspul Meßgeräte Modell DIS-240

Drehspul Strom- und Spannungsmeßgeräte für Gleichstrom.
Quadratische Ausführung, Zeigerausschlag 240° und mit fester Skala.
Einbau nach DIN 43700 mit schwarzem Frontrahmen.
